About Us

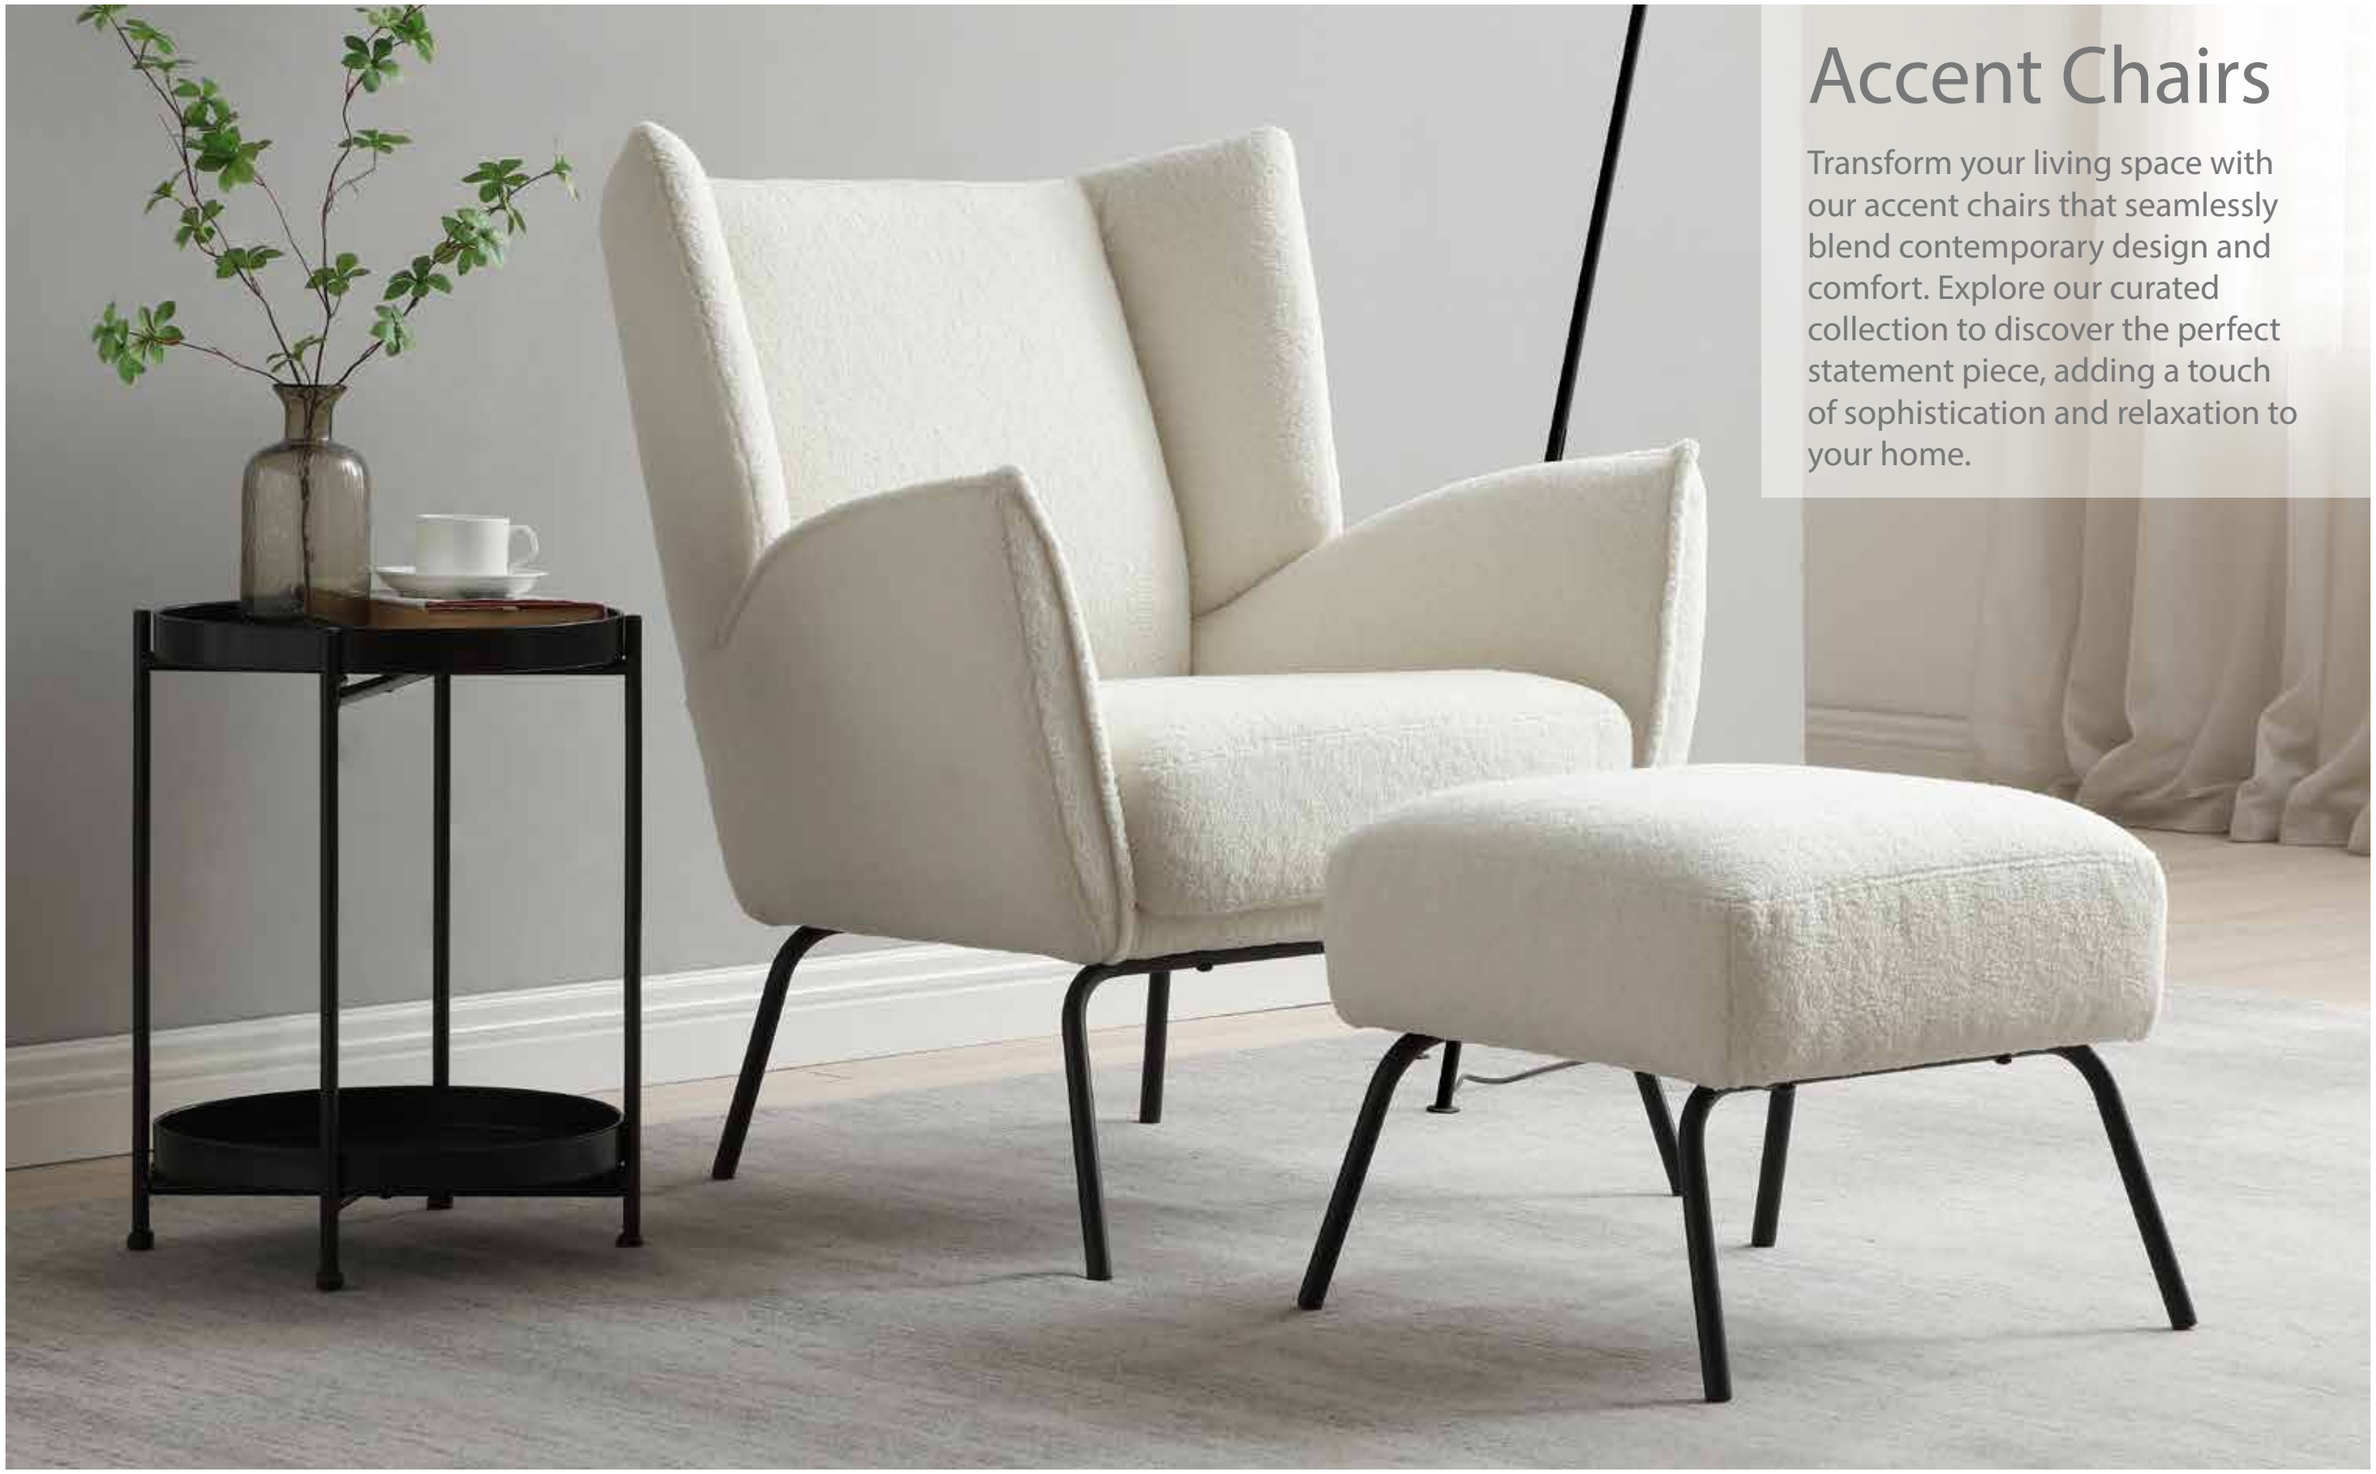
We may have started as a futon manufacturer, but, we've grown into a multi-faceted business sourcing the best furniture for all our customers' needs.

Developing long term relationships is invaluable to us; we work closely with leading furniture retailers, independent stores and Interior Designers throughout the UK, to create products ranges we can all be proud of.

Think of us as an extension of your business: your customer is our customer. Our teams come with a wealth of experience from buying and sourcing to product design, development and manufacturing, and sales and operations.

We work with your chosen business model; whether that be wholesale, drop ship or direct containers to support your business.

Your success, is our success.



Accent Chairs
